EMPLOYEE OF THE MONTH

Jeff McGlamery

Assistant Director of Building Trades

April, 2020 – Administrative

"Mr. McGlamery has a great work ethic whatever needs done he is willing to jump in and help, whether it be cleaning the dust collector system,(which nobody want to do), work on a roof, or track down a part. He has brought his personal tools form his home for us to use on a job before. He not only does this for our shop but any of the 5 shops he is over. When he shows up in the shop or on the work sight his response is "how can I help you guys today". Numerous times he has came to a job and just cleaned up, might seem like a small task but it is greatly appreciated. Definitely not in his job description."
