BENEFITS OVERVIEW

Ohio University offers a comprehensive benefit package designed to provide high-quality benefits to fit your needs and the needs of your family. For information regarding these benefits, visit OHIO’s Benefits Medical Coverage website: https://www.ohio.edu/hr/benefits/healthcare/medical.cfm.

1. To view the Benefits Overview Guide, click the link below your Employment Group.

ALLOWABLE BENEFIT ENROLLMENT PERIODS

OHIO employees have an opportunity to enroll in benefits when they begin their employment. Changes may be made annually during Open Enrollment. In compliance with federal regulations, changes may not be made outside the Open Enrollment period unless a qualifying life event occurs.

Open Enrollment

Open Enrollment is the annual opportunity OHIO benefits-eligible employees have to make changes to their benefits coverage plan options including: increasing or decreasing coverage; adding or dropping covered dependents; and enrolling in flexible spending accounts. The annual Open Enrollment period is typically held in April. An email will be sent to all benefits-eligible faculty and staff with more information and further instructions once the Open Enrollment period begins. Benefit changes and elections made during Open Enrollment take effect on July 1. For more information regarding Open Enrollment, visit: https://www.ohio.edu/hr/benefits/healthcare/openenrollment.cfm
New Hires

Newly hired benefits-eligible employees may enroll in benefits within 31 days after their hire date. Employees may access **Self Service Benefits** on or after their date of hire, after their OHIO ID has been activated.

The effective date of coverage for a new hire will begin on their hire date. If benefit elections are made or changed after a payroll has processed, retroactive premiums will be deducted from the next payroll.

**THE EFFECTIVE DATE FOR FACULTY WHO BEGIN EMPLOYMENT FALL SEMESTER IS AUGUST 16.**

Qualifying Life Events

Employees who experience a personal qualifying life event (marriage, birth, etc.) should contact Human Resources’ Employee Service Center (ESC) at 740-593-1636 or benefits@ohio.edu. ESC staff will initiate a qualifying life event which will allow the employee to update benefits in MPI.

Employees who experience a change in employment status with Ohio University (changing from part time to full time or changing employment groups) may be eligible to enroll in or change benefits elections. Employees will be notified by Human Resources if they have a qualifying event that permits benefits enrollment changes.

Changes must be made within 31 days from the date of the qualifying life event. The effective date of coverage is the date in which the qualifying life event occurs. If benefit elections are made or changed after a payroll has processed, retroactive premiums will be deducted from the next payroll.

For a list of Qualifying Life Events, visit: [https://www.ohio.edu/hr/benefits/healthcare/family.cfm](https://www.ohio.edu/hr/benefits/healthcare/family.cfm)

**MY PERSONAL INFORMATION: SELF SERVICE BENEFITS**

Benefit enrollment changes must be made online using MPI. Accessing the system will allow you to view your current benefit selections, enroll in coverages as a new hire, or make changes during Open Enrollment or throughout the year if you experience a qualifying life event.

**TO INITIATE A CHANGE IN YOUR BENEFITS DUE TO A QUALIFYING LIFE EVENT, YOU MUST FIRST CONTACT HUMAN RESOURCES’ EMPLOYEE SERVICE CENTER (ESC) AT 740-593-1636 OR BENEFITS@OHIO.EDU. THE SYSTEM WILL NOT ALLOW CHANGES OUTSIDE OF THE NEW HIRE OR OPEN ENROLLMENT PERIOD UNLESS UHR HAS INITIATED THE QUALIFYING LIFE EVENT ON YOUR RECORD.**

Multifactor Authentication

Multi-factor authentication, or two-factor authentication with DUO push, is required to access Oracle e-Business Suite and MPI. You must set up multi-factor authentication prior to accessing MPI to update your benefits elections. Multi-factor authentication is a security measure that turns your OHIO login into a two-step process using a service called DUO Security:

1. Enter your **OHIO ID** and **Password**.
2. **Confirm your login** using one of these methods: DUO Security mobile app (either enter the key passcode or tap to respond) or automated phone call to a telephone number you setup in advance.

**MULTI-FACTOR AUTHENTICATION IS REQUIRED TO ACCESS MY PERSONAL INFORMATION (MPI).**

Because a successful multi-factor login requires both a correct password and access to a specific telephone or mobile device, it makes it much harder for a cyber attacker to use a lost or stolen password to access your account. For more information, visit: [https://www.ohio.edu/oit/multi-factor/index.cfm](https://www.ohio.edu/oit/multi-factor/index.cfm)
Log in to My Personal Information (MPI)

1. Visit: https://www.ohio.edu/ebiz/ebiz.html
2. Click My Personal Information.

3. Click My Personal Information (use your OHIO ID and Password).
4. Enter your **OHIO ID** and **Password** and click **Login**.
5. **Complete your DUO Security multi-factor authentication.** From the DUO Security mobile app, either enter the key passcode or tap to respond. From the automated phone call, answer the call and press any key on your phone to log in.

6. Click the + to expand your *My Personal Information* folder.

7. Click **Self Service Benefits**. 
WARNING: IN MPI, YOUR BROWSER’S BACK BUTTON WILL NOT NAVIGATE TO THE PREVIOUS SCREEN. YOU WILL RECEIVE AN ERROR MESSAGE. CLICK THE APPROPRIATE TAB/LINK/BUTTON TO NAVIGATE TO THE DESIRED SCREEN.

HOW TO ENROLL

1. Read the Legal Disclaimer. Click the radio button next to Accept and click Next.

Dependents & Beneficiaries

Eligible Dependents and Beneficiaries provides a list of individuals currently linked to your record as a “contact.” Contacts include your health care eligible dependents as well as life insurance beneficiaries. A qualified dependent for health care coverage is a legally married spouse, domestic partner for which you have completed a domestic partner affidavit with University Human Resources; children under the age of 26 including adopted children, stepchildren, children of domestic partners, children for which you are the legal guardian, and disabled children who have been approved by Anthem.

A beneficiary can be any individual(s). NOTE: You may also name trusts, estates or other non-individuals, as well as individuals for which you do not have a Social Security Number (SSN), however, these must be documented on a paper Beneficiary Designation Form.
A PAPER BENEFICIARY DESIGNATION FORM IS REQUIRED IF YOU DO NOT KNOW YOUR BENEFICIARY’S SOCIAL SECURITY NUMBER (SSN). USE ONLINE ENROLLMENT FOR EVERYTHING BUT DESIGNATING BENEFICIARY. YOU MAY SEND DOCUMENTATION VIA CAMPUS MAIL OR HAND DELIVER TO UNIVERSITY HUMAN RESOURCES’ EMPLOYEE SERVICE CENTER (ESC), 103 HRTC.

Contacts Who Cannot Be Added/Updated in Self Service Benefits

The following dependents and beneficiaries cannot be added in Self Service Benefits at this time. Please contact University Human Resources’ Employee Service Center (ESC) at 740-593-1636 if any of the situations below are applicable to the dependent/beneficiary who you would like to add or update:

- They are a current or former Ohio University employee
- Dependents without a Social Security Number (SSN)
- If you receive a duplicate record error

Add a New Contact or Update an Existing Contact

Review your list of dependents and beneficiaries.

A Social Security Number (SSN) is required for a new dependent. If you do not know your new dependent’s SSN, the paper Benefits Enrollment Form is required. You must also complete Anthem’s SSN Exception form. See online forms. You may send documentation via campus mail or hand deliver to University Human Resources’ Employee Service Center (ESC), 103 HRTC.

A SOCIAL SECURITY NUMBER IS REQUIRED FOR A NEW DEPENDENT.

1. To update information for an existing contact, in the Update column, click the Pencil icon next to the appropriate person’s name.

**NOTE:** Individuals listed on your *Dependents and Beneficiaries* page, are contacts on your record. You only need to remove a contact if the relationship has permanently ended for that contact. For example, if you would like to drop health coverage for a child or spouse, you may remove their coverage from the health plan in later steps. Since the relationship still exists, you should not remove the person from your *Dependents and Beneficiaries* page.

A beneficiary can be any individual(s). **NOTE:** You may also name trusts, estates or other non-individuals; however, these must be documented on the paper Beneficiary Designation Form.

9. Under **Beneficiary Selection**, update your beneficiary designations by entering the percentage of benefit for each beneficiary listed. **Enter the percentage of benefit** for both Primary and Contingent beneficiaries.

- The Primary Beneficiary is the person(s) who will receive the benefits in the event of the insured's death. Proceeds will be divided in equal shares if multiple primary beneficiaries are named, unless otherwise indicated. If percentages are listed, the total must equal 100%.
- The Contingent Beneficiary is the person(s) who will receive the benefits if the primary beneficiary is not living at the time of the insured's death.

**WARNING:** EACH LISTING OF PRIMARY BENEFICIARIES MUST EQUAL 100% AND EACH LISTING OF CONTINGENT BENEFICIARIES MUST EQUAL 100%.

10. Click the **Recalculate** button to ensure totals equal 100%. **NOTE:** While a change in life insurance coverage will not be effective until your start date or the date of your qualifying life event, your beneficiaries will be updated immediately.

11. Click **Next**.
Supplemental Life Insurance

If you are requesting an increase to your Supplemental Life Insurance over $20,000 or a coverage amount over $200,000, you will need to complete the Evidence of Insurability form.

This form does not guarantee coverage, and additional information may be required. These requests are reviewed by Dearborn National, our life insurance provider. Failing to submit this form by the end of the enrollment period will result in your supplemental life enrollment defaulting to the interim coverage amount.

Be sure to designate beneficiaries for both your elected coverage amount as well as your interim coverage if applicable. Your interim coverage amount will be equal to your current coverage amount + $20,000. Once the Evidence of Insurability form is received and approved by the life insurance company, your elected coverage amount will be applied. The beneficiaries on both your elected coverage as well as your interim coverage must be the same since these are the same plan.

EMPLOYEE ANNUAL PARKING FEE OPT OUT

Athens campus employees may choose to accept a parking permit at the time in which they are hired. Acceptance of a permit grants permission for payroll deduction for parking fees. Employees have the option to opt-out of the parking fee and decline a parking permit at this time. Employees may opt in or out of the parking fee once per year during the open enrollment process.

Employees who experience a personal qualifying life event that warrants a change in parking options outside of the open enrollment period, must notify Parking Services within 31 days from the date of the qualifying life event. Employees who choose to opt out of the parking fee must return their campus parking permit. Failure to return a campus permit will result in the continuation of the annual parking deduction. If you wish to opt in/out of parking as the result of a qualifying life event, email Parking Services at parking@ohio.edu.

IF YOU OPT OUT OF THE PARKING FEE, YOU MUST RETURN YOUR PARKING PERMIT TO PARKING SERVICES. FAILURE TO RETURN A CAMPUS PERMIT WILL RESULT IN THE CONTINUATION OF THE ANNUAL PARKING DEDUCTION.
