*The 80 hours for your own actual illness OR the illness of a family member is capped at 80 hours total for full time employees. Employees are only eligible for up to a total of 80 hours emergency paid sick leave under the Families First Coronavirus Response Act. Both “COVID-Self” and “COVID-Family” draw from the “COVID-Sick” PTO balance.

*Part Time employees will enter 1 day. The number of hours paid each day are based on your schedule in Workforce. This can be viewed under the “Schedule” tab on your timesheet.
